

KA TSUN INDUSTRIAL (INTERNATIONAL) CO., LTD

Company Profile

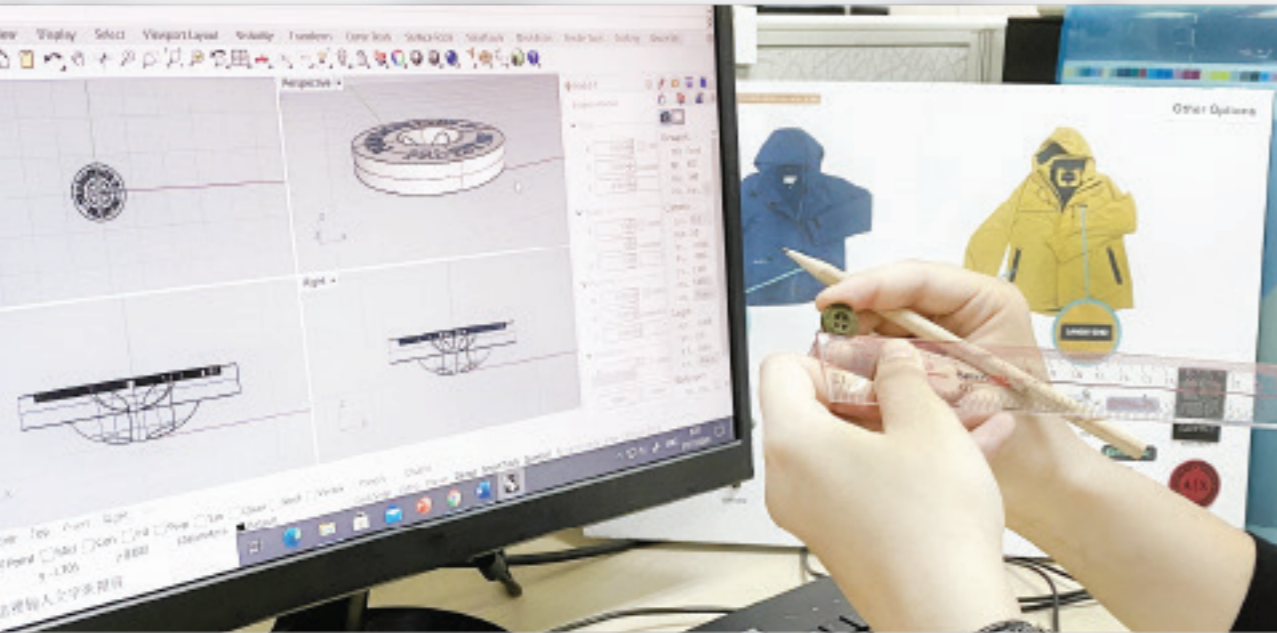

Total Trims Solution & Manufacturing

Ka Tsun was established in 2004. We are a Hong Kong-based company with our head office in Hong Kong, while our factory is located in China Dongguan. The factory space is 15,000 sq. ft. There are over 100 skillful workers with well-equipped machines. Together with the regulated management system, quality and efficiency are assured.

Our products are selling throughout the world mainly in U.S.A., Canada, E.U., Japan, Korea, etc. We promise satisfied quality, competitive price, fast delivery, and good services. And we manage a good relationship with the garment factory in Bangladesh, Cambodia, China, Colombia, Indonesia, Vietnam, etc.

Strong in Customization

Except for open items, Katsun is very strong in developing customized items. We are very good at customizing the design from fashion labels. We provide a wide range of options of color, material, shape, and structure to our customers.

Flexible to Order Quantity

We are able to handle small to bulk order quantity at a compatible price.

Exacting Quality Control

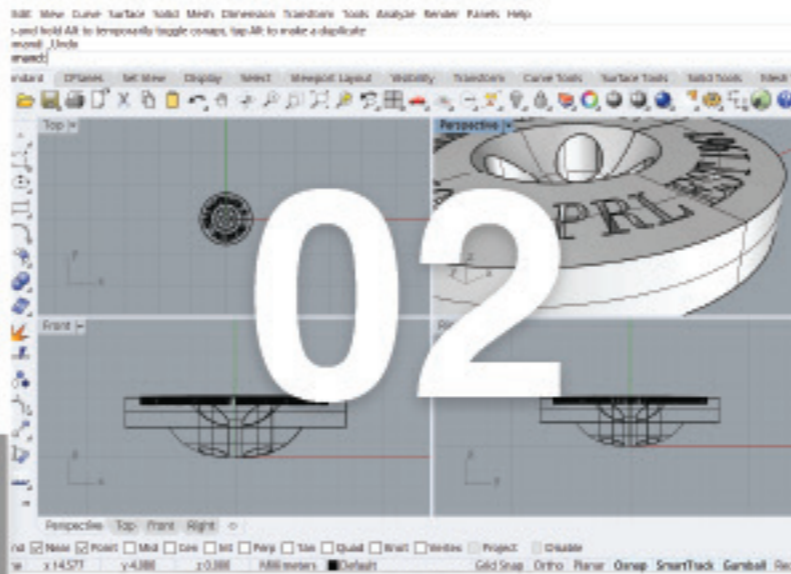

Katsun is proud of our quality control. We have a professional and well-trained quality control team for product inspection.

We offer solutions to turn idea into products.
