WHO WE ARE

Xiamen CAI-Textile Imp & Exp Co., Ltd. concerning about environmental protection and energy saving. We are proud of serving our repected customers with our over 25 years of our experiences in textile and apparel industries by the Joint-Venture way with Circular & Warp-Knit mills and our team's Passion, Expertise and Diligence to be a bridge connect our customers and the supply of local Chinese-Ace-Innovated factories.

We are specialized in producing optimal knitted fabrics for Sportswear, Athleisure-Wear and Intimate-Wear. We got the OEKO-TEX 100 certificated for our knitting, dyeing and printing (Screen Printing and Digital Printing) and have Blue-Sign for dyeing as well. We serve closely with international brands from Europe, Asia, North America as well as domestic market.

We're pioneer in partnership with our upstream suppliers, such as, Optimer, Dupont, Invista, Lenzing, NILIT, Unifi etc, by which and also our strictly self-control system, we consistently supply over-expectation services with our customers.

caitextile

The image features a 3D-style logo for 'caitextile' in a vibrant blue color. The letters are bold and have a slight shadow, giving them a three-dimensional appearance. Below the main text, there is a faint, semi-transparent reflection of the word 'caitextile'. The entire logo is centered on a light-colored background with a repeating pattern of small, stylized floral or leaf motifs.
